WHEN: April 24-25 (Add to Outlook Calendar)

WHERE: Harvest Bible Church
3800 E 53rd Street

Adults also have the opportunity to participate in preparations for this summer's Rock the River event with the Christian Life & Witness Course, which is kicking off this month at churches across the region. Click here for more information and the local Christian Life & Witness schedule.

Rock the River Tour is a new evangelistic summer concert series that features seven hours of high-voltage music plus brief, challenging messages by Franklin Graham. These one-day events will rock their way up the Mississippi River through Baton Rouge, St. Louis, Quad Cities and Minneapolis-St. Paul.
