6th Annual Quad City Engineering and Science Council and the American Society of Civil Engineers Battle of the Bridges Competition!

Coming to the Putnam in February is the 6th Annual Battle of the Bridges Competition! This is a construction competition between teams of 1-4 people who spend 3 hours designing and building a model bridge which is then tested for structural efficiency in the Grand Lobby. On Friday, February 8 from 11:30 a.m. - 5 p.m. the session has high school teams. On Saturday,

February 9 from 7 a.m. - 2 p.m. the session has elementary and middle school, college and family. The public is invited to view this competition for free located in the Putnam's Grand Lobby area.

The event is sponsored by the Quad City Engineering and Science Council and the American Society of Civil
