During the past weeks the employees of **Ascentra** have been busy brightening people's lives with random acts of kindness as part of their "Steppin' Up: Paying it Forward" Program. Over 70 staff members were given $50 each to use in any way they saw fit to help out and surprise any individual or organization of their choice. The acts range from paying for a stranger's cup of coffee, to multiplying the money by organizing and purchasing supplies for a fundraiser benefiting the Quad Cities Greyhound Association. One employee donated gloves, hats, socks and blankets to The Center in Davenport . A group from the Bettendorf branch put their money together and surprised Family Resources in Davenport with food baskets and turkeys that fed over 60 families at their domestic violence shelter. Senior Account Officer Jeff Gerstel used the opportunity as a teachable moment for his 6-year-old daughter who suggested the money go to a park and together they surprised the Moline Community Development Corporation with a check to help Moline 's Riverside Park get new playground equipment. Similar acts of kindness took place in Muscatine and Clinton . See these stories and more at Ascentra's Facebook page at facebook.com/Ascentra .
