From time to time, we'll publish the photography of Scott A. McMeekan, with the goal of showcasing his images and prompting new artwork.

We'd like our readers to respond to his work in some form. We plan to publish the best responses alongside the original photograph in a future issue.

 To see this week's installment, click here.

There are few requirements. You're welcome to use whatever medium you'd like to craft a response – the written word, a painting, another photograph. Please submit entries by Friday, April 1, to jeff@rcreader.com (with "photo response" in the subject line) or to Photo Response, <I>River Cities' Reader</I>, 532 W. 3rd St., Davenport IA 52801.
