Welcome to the 25th-anniversary IH Mississippi Valley Blues Festival! On behalf of the blues society, I would like to say we are proud of our quarter-century of bringing you, the fans, the best quality blues festival possible. Ours is a fest of not only quality but diversity. We strive to provide you a sampling of the many different styles of America's original music, the blues.

We could not have done this all these years without our sponsors and our many volunteers. To them we are deeply indebted.

There are many changes to be aware of this year, too many to enumerate here. If you are unsure of where your favorite venue is, please ask a volunteer or check your program.

In closing I would like to thank you the fans for supporting us all these years. Hopefully with your continued support we will continue for many years to come.

Sincerely,

IH Mississippi Valley Blues Festival 2009: A Note from the MVBS President
