After the River Cities' Reader's official guide to the 2013 Mississippi Valley Blues Festival went to press, the Mississippi Valley Blues Society announced that the festival was being moved from LeClaire Park to Second Street in downtown Davenport because of flooding:

Mississippi Valley Blues Festival organizers have finalized the site for the July 4-6 event in downtown Davenport. The 29th Mississippi Valley Blues Festival will take place on Second Street. Bandshell acts will perform on an east-facing stage near Ripley Street. Tent Stage acts will perform in the courtyard area just east of the River Music Experience at Second and Main. BlueSKool will be held on the River Music Experience's Community Stage, and workshops and the photo exhibit will be held in the River Music Experience's upstairs Exhibit Hall.
