WEST DES MOINES, IOWA – Aug. 19, 2011 – Media is invited to attend the 2011 Iowa Farm Bureau Federation (IFBF) Summer Policy Conference Aug. 30-31 at the Farm Bureau office in West Des Moines. The conference kicks off at 10:00 a.m. on Aug. 30.

Voting delegates from each 100 county Farm Bureaus will gather to discuss and debate topics ranging from the Food Security Act of 2012 and flood control to renewable energy and fiscal responsibility for state and federal government.

Leaders of all 100 county Farm Bureaus have gathered the opinions of their members on issues impacting agriculture and rural Iowa over the past several months. The Summer Policy Conference aggregates those ideas to form statewide policy for the 2012 legislative session.

Lunch will be provided for attending media both days. Please RSVP to Laurie Johns ([515-225-5414](tel:515-225-5414)) for lunch by Aug. 24.
