Operation Gratitude Extends its Outreach to Our Wounded Warriors

Encino, CA--February 3, 2011: Having already shipped more than 600,000 care packages to service men and women deployed in combat zones, Operation Gratitude is pleased to announce a new program tailored to those wounded in service to their country.

Operation Gratitude will begin providing special Wounded Warrior Care Packages to service members recovering in Military Hospitals and Wounded Warrior Transition units located on military bases throughout the United States.
