Washington, D.C. – Rep. Bruce Braley (IA-01) is paying tribute to all members of the armed services this weekend as the country celebrates Veterans Day.

“Veterans Day is a special time to remember those who have served our country, and honor the men and women who are currently serving our people overseas and here at home. Our continued gratitude for their sacrifice, commitment, strength, and service shall not diminish, and we thank them for helping keep America strong and secure,” said Braley.

Braley has been a leader in continued legislation for efforts in helping Veterans when they return home, such as his Andrew Connolly Veterans Housing Act, signed into law earlier this year.
