Deadline for New Iowa Urban Neighborhood District Designation Brings Focus to the Campus to Campus Plan in Central Davenport

The city's news release stated that the Campus to Campus Plan is an "effort to continue the revitalization of the corridor between St. Ambrose University and Palmer College of Chiropractic."

The news release continued: "Representatives from various businesses and institutions within the area have been invited to begin the process by first defining the project area and sharing initial thoughts about how stronger connections can be created. Invited participants include the anchoring institutions of St. Ambrose University and Palmer College of Chiropractic, Davenport Schools, [and] businesses and organizations of the Hilltop area. Wider public participation will be sought once the project's parameters are further defined through the input gathered at this initial meeting."

Several dozen people including business owners, city staff, and aldermen met from 4 to 5:30 p.m. on Thursday, March 5, at J.B. Young Junior High School Cafeteria, 1702 Main Street in Davenport.
