### Smooth Jazz Valentine's Concert

The Redstone Room

Friday, February 9, 7 p.m.

For the featured performer in the Quad Cities' annual Smooth Jazz Valentine's Concert, Great Sound Promotions has secured noted jazz pianist/keyboardist Gregg Karukas, who will appear on the Davenport stage on February 9. Talk about *smooth*. In a career spanning more than two decades, Karukas' emotive playing has produced a series of radio hits, and among nearly a dozen CDs, 1998's *Blue Touch* rose

to number four on the Radio & Records airplay chart. He's recorded with jazz players Kenny G. and David Benoit. He's served as the keyboardist and engineer for such Emmy-winning television programs as

*Cheers, Tales from the Crypt,*

and

*Son of the Morning Star*

. SmoothJazz.com's Sandy Shore has called him a "superb keyboardist" with "a knack for kick-ass melodies." It even sounds as if Karukas was a smooth

*kid,*

as he reveals on his Web site (

<http://www.karukas.com>

): "When my voice changed as a teenager, I lost my singing chops and concentrated more on playing piano and organ in various bands." Damn. When

voice changed as a teenager, I hid in the basement 'til I was 18. For more information on the Smooth Jazz Valentine's Concert, visit (
