Rock Island, IL – Rock Island Lubricants (RILCO) has earned recognition as a Partner-level supplier for 2013 in the John Deere Achieving Excellence Program. The Partner-level status is Deere & Company’s highest supplier rating. The Rock Island-based company was selected for the honor in recognition of its dedication to providing products and service of outstanding quality as well as its commitment to continuous improvement. Company employees accepted the recognition during formal ceremonies held on February 18, 2014 at the River Center.

RILCO is a supplier of lubricants & services to John Deere’s operations in multiple locations.

Suppliers who participate in the Achieving Excellence program are evaluated annually in several key performance categories, including quality, cost management, delivery, technical support and wavelength, which is a measure of responsiveness. John Deere Supply Management created the program in 1991 to provide a supplier evaluation and feedback process that promotes continuous improvement.

RILCO offers premium products to customers in a variety of industries including transportation, agriculture, construction and industrial. RILCO is an industry leader in providing lubrication products and total product solutions to commercial and industrial customers. RILCO is dedicated to providing our customers the best total value of any supplier, including highest quality products and services to help increase productivity through best practices and maintenance.
