Last year two Maggie Webb Scholarship winners, Trent Carlson and Kayla Kauzlarich both of Moline were chosen by Maggie's friends and family through the Moline Foundation to receive \$3,000 in scholarship funding.

-

Maggie Webb graduated from Moline High School in 2001. As a senior in high school, Maggie began working at the Von Maur department store in Moline. Upon graduating from college, Maggie became a department manager for the Iowa City Von Maur store. She then worked at several other midwestern Von Maur stores earning acclaim for her sparkling personality and commitment to customer service.

-

Maggie's life tragically ended in December, 2007 with the mass shooting at a Omaha Nebraska mall. Maggie had recently moved to Omaha. She was employed as a Von Maur Store Manager when she was killed along with five other employees and two customers.

-

"Her friends and family wanted to honor Maggie's life with this scholarship. She always had a smile on her face and was such a bright light for so many people,"
