Rock Island, Illinois – Saint Xavier University will host an information meeting on the Master of Arts in Teaching and Leadership degree program. This degree program is for practicing teachers who want to expand their teaching repertoires and improve their students' achievement. The meeting will be held on Tuesday, April 21, from 4:00-5:00 p.m. at the Quad-Cities Graduate Study Center, 639 38th Street, Rock Island, Illinois. All information meeting attendees who enroll for the next term will receive a \$100 discount on tuition. Teachers will be advised about group discounts.

Those who cannot attend may receive a packet of information on the program by calling the GradCenter at (309) 794-7376, toll free 888-331-4723 or by email QC@gradcenter.org. The Quad-Cities Graduate Study Center, through its member institutions, facilitates access to local graduate degree and certificate programs. Students are able to choose from a diverse selection of over 80 graduate degree programs and certificate programs offered in convenient locations during evening and weekend hours and via the Internet. For more information visit our website at www.gradcenter.org.
