Rivermont Collegiate is the Quad Cities' only private, nonsectarian, independent college preparatory school, serving preschool through twelfth grade. At Rivermont, we prepare students who are grounded in the basics, yet able to think analytically and creatively to confidently meet the challenges of the 21st century. Rivermont is proudly multicultural, with students coming from many Quad City area communities. Rivermont Collegiate is located at 1821 Sunset Drive in Bettendorf, directly off 18th street behind K&K Hardware. This event is free and open to the public!
