WACO, Texas - Over 3200 Baylor University students were named to the Dean's Academic Honor List for the 2011 fall semester. To be named to the Dean's List, a student must be an undergraduate with a minimum grade-point average of 3.7, while enrolled in a minimum of 12 semester hours. A private Christian university and a nationally ranked liberal arts institution, Baylor is classified as a research university with "high research activity" by the Carnegie Foundation for the Advancement of Teaching. This blends with Baylor's international reputation for educational excellence built upon the faculty's commitment to teaching, scholarship and interdisciplinary research to produce outstanding graduates.

Below are students from your area who were named to the dean's list this fall. The honor student news release and a complete listing of all honorees is available through the following link: <http://www.baylor.edu/pr/index.php?id=40399> .
