Milan, IL 9/26/12

The National Accreditation Commission for Early Care and Education Programs (NAC) has awarded Just Kids @ XPAC with NAC Accreditation.

As a NAC accredited center, Just Kids @ XPAC has been recognized as an early care and education program that exemplifies excellence in the care of young children. By achieving NAC accreditation, Just Kids @ XPAC offers a high quality program that exceeds state licensing requirements and provides an environment that is conducive to each child's individual growth and development. The program also offers opportunities to support and educate staff members and parents on child development issues.

The accreditation process included a self-study process in which administrators, staff members and parents evaluated the program in accordance with NAC Accreditation Standards. After the self-study process was complete, an onsite observation took place at Just Kids @ XPAC by an early childhood professional. Based on the information collected, Just Kids @ XPAC was awarded accreditation through the National Accreditation Commission for Early Care and Education Programs. All parents, staff members and administrators at Just Kids @ XPAC are to be congratulated for achieving this level of excellence.

Just Kids @ XPAC is located on site at XPAC Corporation, Milan. More information about the program can be found at [www.justkidsinc.org](http://www.justkidsinc.org).
