MOLINE, IL -- The Western Illinois University-Quad Cities Graduate Studies Program will host an open house for interested students, their families and business professionals from 4-6 p.m. Tuesday, March 19 at the WIU-QC 60th Street Campus, room 102A.

"The open house is an excellent opportunity for current students and business professionals to meet and network while learning about our graduate programs," said Antoinette Murphy, assistant director of admissions for Graduate Studies. "There will be a variety of campus representatives available to discuss resources, career development and financial aid assistance."

The event will include guest speakers from financial aid and career services, as well as individual program and break-out sessions about program requirements and graduate assistant opportunities. The event will also feature student panel discussions, faculty question-and-answer sessions and a tour.

For more information, contact Murphy at [\(309\) 762-9481](tel:(309)762-9481) or [AR-Murphy@wiu.edu](mailto:AR-Murphy@wiu.edu). Learn more about WIU-QC Graduate Studies at [http://www.wiu.edu/qc/future\\_students/grad.php](http://www.wiu.edu/qc/future_students/grad.php)
