During their meeting on Monday, April 29, The Rotary Club of Davenport will award \$56,000 in college scholarships (one \$16,000 scholarship and four \$10,000 scholarships) to five Davenport high school students. Students from Davenport Assumption, Central, North and West were eligible to apply. The Rotary Club of Davenport Scholarship Program is one of the largest in the Quad Cities metro area providing four \$10,000 and one \$16,000 scholarship annually. Since its inception as the Rotary Memorial College Loan and Scholarship Fund in 1922, the Fund has awarded scholarships to 82 students and made loans to over 400 students for a total of over \$900,000. Winners are selected based upon GPA, test scores, community service, interview, and recommendations. For more
