About Connecticut College

Connecticut College is a private, highly selective liberal arts college with 1,850 students and more than 40 majors in the arts, sciences, social sciences and humanities, as well as the option for students to self-design majors. The College offers a high level of intellectual challenge, a campus culture that supports students to tailor their educational experience to their own interests and goals, and a four-year career development program that teaches students how to translate a liberal arts degree into a first job or graduate school admission. Connecticut College is situated in the small New England seaport of New London. For more information, visit www.connecticutcollege.edu .
