World Heritage Student Exchange program, a public benefit organization, is seeking local host families for high school boys and girls from Spain, Germany, Thailand, Norway, China, Russia, France, The former Soviet Union Countries, Denmark, Italy, Sweden and more!

Host families are asked to include the student as a member of their family. Couples, single parents, and families with & without children in the home are all encouraged to host. You can choose a student for a semester or for the school year.

Each World Heritage student is fully insured, brings his/her own personal spending money and expects to contribute to his/her share of household responsibilities, as well as being included in normal family activities and lifestyles.

Imagine the world of peace and greater understanding. Imagine yourself as part of the solution! Today's teens are tomorrow's parents, international business people and possibly even future political leaders! Share your corner of America by helping a foreign exchange student experience life in your area!
