No. There isn't a back-to-school fairy to deliver your school supplies right to your doorstep or give you a sleek, new laptop, but Great Clips can make it happen. The world's largest hair salon brand **with salons in our area** has launched two great back-to-school contests that could win a local family some amazing prizes.

1) **School Supply Give away** – Great Clips takes the headache out of school supply shopping by awarding 50 lucky families a big box of back-to-school supplies right on their doorsteps. To enter, upload your specific school supply list to <http://www.thegr eatlist.com>

Great Clips will shop for your list and deliver it right to your door! 50 families will win a box of school supplies worth no more than \$150.

2) **Apple Give away** – An apple isn't just for teacher. In one contest, Great Clips will award some \$50 thousand dollars worth of Apple products to students, including \$1200 MacBook Air® laptops and \$200 Beats® studio headphones. To enter text "PRIZE" to 47328 or go on line to www.greatclips.com

I've included a press release on the Great Clips Back-To-School contests below and would love you to have you write a story or include them in a piece about back-to-school contests.

More back-to-school contests to include in your story:
