Grassley's offices in Iowa regularly help constituents contact federal agencies to sort through problems with Social Security payments, military service matters and immigration cases. His state offices are located in Cedar Rapids, Council Bluffs, Davenport, Des Moines, Sioux City and Waterloo.

Here is a comment from Grassley about his staff's upcoming office hours:

"These open office hours are designed to help more Iowans access the assistance that is available from the office of their United States Senator. I hope any Iowan with federal agency-related casework will take advantage of Penny's visits."

Should constituents have any questions please contact Grassley's Davenport office at 563/322-4331.
