State legislators will have a chance to learn more about the Family Development and Self Sufficiency (FaDSS) Program at an information fair being held at the Capitol on January 18th from 12:30-2:30 p.m.

Sponsored by the Iowa Family Development Alliance, the fair will include a march of FaDSS families and staff to the steps of the Capitol. FaDSS Programs from all across the state will be setting up displays on the first floor rotunda, allowing legislators to get information about the FaDSS program that operates in their districts. The event will also offer legislators an opportunity to speak with FaDSS families about how the program has affected their lives. FaDSS staff will be on hand to answer specific program questions.

The event will be held at the State Capitol, Rotunda. For additional information contact – Helen Benker, FaDSS Program Director at 563-324-3239, ext. 1373.
