WASHINGTON, D.C. – Senator Tom Harkin (D-IA) today announced that the U.S. Department of Housing and Urban Development (HUD) has awarded Iowa a total of \$101,056 in grants under the Housing Counseling Program. The funds will go toward counseling services to homebuyers, homeowners, low-to-moderate-income renters, and the homeless to expand homeownership and improve access to affordable housing. Harkin is a senior member of the Appropriations subcommittee that funds HUD.

“Quality, affordable housing is a necessity and any funds that can go toward expanding access to it is money well-spent,” said Harkin. “I congratulate all of these recipients on this competitive funding and look forward to the improvements it will generate.”

The funding was awarded as follows:

Center for Siouxland – \$25,000
Eastern Iowa Regional Housing Authority – \$24,465
Home Opportunities Made Easy, Inc. (HOME, Inc.) – \$28,014
United Neighbors, Inc. – \$23,577
