Opportunity for area contractors: The City will be funding more than 150 lead abatement projects over the next year and needs certified contractors to do the work.

During the month of September, any contractor interested in this work can take advantage of a FREE scholarship program to become eligible as a lead abatement contractor and bid on these projects. To qualify, applicants must live in Scott County or have completed a project in Davenport.

For more information, or to request an application, visit www.cityofdavenport.com/lead or call (563) 326-7765.
