Date of Record: February 25, 2013

Based on predicted weather a Snow Emergency has been Declared. The Snow Emergency will be in effect beginning at Noon, Tuesday, February 26th through Noon, Wednesday, February 27th. Parking on posted [Snow Routes](#) is prohibited when a Snow Emergency has been declared. Vehicles parked on Posted Snow Routes during a Snow Emergency may be subject to ticketing and towing. As an alternative visitors to the downtown area are welcome to park for FREE in any one of our three

[parking ramps](#)

. We encourage all residents to park off street wherever possible on all other streets. If you must park on the street, and are not on a Snow Route, please park on the even side of the street Tuesday and the odd side on Wednesday. Off-street and even/odd side of the street parking will assist the snowplows in moving through narrower streets.

For more information on parking and snow/ice clearing activities you may also visit our [Winter Guide](#)

If you are in need of assistance with snow shoveling or are interested in volunteering to help someone in need shovel their walks please [refer to the City's new Snow Angels program at this link.](#)
