Emergency Disaster Service (EDS) Volunteers Deploy Throughout Illinois & Iowa

QUAD CITIES, USA: Salvation Army Emergency Disaster Services (EDS) volunteers are being deployed to serve meals and provide emotional and spiritual support to those affected by the floods in Ottawa, IL and Canton, IL.

The spring flooding of 2013 has caused great water damage to property and left people homeless throughout the Quad Cities and surrounding areas.

The Salvation Army served 100+ cups of hot coffee and 200+ snacks to the city-employed sandbaggers on the Mississippi River on a very cold April evening. Steve Garrington, Quad Cities EDS Director, states that “The Salvation Army’s mission is to provide a compassionate response to the Quad Cities and the surrounding areas, as well as Boston, west Texas, everywhere there is human need.”

After the Barstow Levy breach, The Salvation Army supplied the Carbon Cliff/Barstow Fire Department 200 flood clean up kits. The department’s staff walked door to door with the kits to be sure every home had adequate access to assistance. Another 50 clean up kits were forwarded to East Moline Fire Stations by the Rock Island County

Health Department. The Scott County Health Department is waiting for the waters to recede before they make the Salvation Army-provided clean up kits available.

Monetary donations may be sent to your local Salvation Army, online at [www.salvationarmyusa.org](http://www.salvationarmyusa.org), byphone at 1-800-SAL-ARMY.
