*Leads Iowa House delegation response to April storm damage*

Washington, D.C. – Congressman Dave Loebsack, along with the entire Iowa Congressional delegation, called on President Obama to approve Governor Terry Branstad's request for a disaster declaration for 19 Iowa counties. The declaration would assist counties that suffered significant damage caused by severe weather in late April. If granted, the declaration would make these areas eligible for Public Assistance.

"I have toured and seen firsthand the damage that was caused by the severe storms and flooding that hit Iowa last month. I call on the President to swiftly approve the Governor's request so communities that were affected can begin the recovery process and get the help they need."

Specifically, the counties of Appanoose, Cedar, Clinton, Davis, Decatur, Des Moines, Iowa, Johnson, Keokuk, Lee, Lucas, Marion, Monroe, Muscatine, Ringgold, Van Buren, Wapello, Warren and Wayne are included in this request.
