QUAD CITIES—Xstream Cleanup, presented by Group O and Riverboat Development Authority, is seeking hundreds of volunteers to clean up 50 sites in the Quad-Cities area on Saturday, August 10 from 8:30 to 11:30 a.m. This year's event will mark the tenth annual Xstream Cleanup.

Cleanup sites are located in Bettendorf, Buffalo, Davenport, LeClaire and McCausland, Iowa; and Milan, Moline, Rock Island and Silvis, Illinois.

Volunteers can choose to participate in a light-duty or heavy-duty cleanup, invasive plant removal, or storm-drain marking. Storm-drain marking is new to the cleanup this year. All volunteers registered by August 1 will receive a free T-shirt and a pass for a special viewing area at River Roots Live on August 16 & 17.

No previous cleanup experience is necessary, and supplies will be provided. A parent or guardian must accompany volunteers under the age of 18.

Xstream Cleanup 2013 will be held 8:30 to 11:30 a.m. Saturday, Aug. 10. Details and signup (deadline Aug. 1) are online at xstreamcleanup.org.
