women and children 24 hours a day, seven days a week. In addition to safe shelter, food, clothing, and personal care items, the organization provides a Community Meal Site as well as a 24/7 Crisis Line for those in need throughout the community and beyond. Its two facilities—a domestic violence shelter for women and children and a rescue mission for homeless men—allows it to focus on every member of the family. Christian Care serves homeless individuals, victims of domestic violence, veterans, men and women coming out of prison, and those with mental illness.

There is a good reason that customers keep coming back to Dahl Ford. Five generations of Dahl's have influenced the automobile industry for almost 100 years. This has been made possible through years of customer's loyalty, which stems from a constant focus on the customer's complete satisfaction with its products and services. The rich history of the family as they continue to grow alongside the automotive industry is a great legacy in the making. The Dahl family legacy will continue for generations to come as they are committed to making the "Dahl Difference".
