Washington, DC – Rep. Bruce Braley (IA-01) released the following statement today after Iowa Governor Terry Branstad signed “Kadyn’s Law” into law:

“Kadyn’s Law is a fitting tribute to a young girl whose life was cut tragically short. Toughening penalties for drivers who violate school bus safety laws will save lives and convince more drivers to drive responsibly around kids and schools.

“Seeing people from both sides of the aisle rally behind this common sense law reminds us that some things are just too important for partisan politics.”
