CHICAGO – November 21, 2012. Governor Pat Quinn today granted 81 and denied 88 clemency petitions. This action marks another step in a series of clemency decisions aimed at eliminating a backlog of more than 2,500 cases that built up during the previous administration.

The 169 clemency petitions acted upon by Governor Quinn are part of dockets ranging from 2005 through 2010. Each person granted clemency has recently undergone a criminal background check through the Illinois State Police's Law Enforcement Agencies Data System (LEADS).

A granted clemency request for a pardon with expungement allows the petitioner to seek expungement of their conviction through the court system.

Since taking office, Governor Quinn has acted on 2,237 clemency petitions. Governor Quinn has granted 842 and denied 1,395 petitions. Those actions include granting 825 pardons and authorizing 17 people who had previously received pardons to seek expungement of their convictions.

For additional information on the granted clemency cases, please contact Ken Tupy at the Prisoner Review Board at [\(217\) 782-7274](tel:217-782-7274) or ken.tupy@illinois.gov.
