CHICAGO – February 7, 2013. Governor Pat Quinn today signed House Bill 190. The governor called for passage of this legislation in yesterday’s State of the State address, and has pushed to restore funding to the Department of Children and Family Services for months. Sponsored by House Speaker Michael Madigan (D-Chicago) and Senator Dan Kotowski (D-Park Ridge), the bill passed the General Assembly earlier today.

“I applaud the General Assembly for taking action to pass and send a bill to my desk that will put people to work and protect the most vulnerable among us,” Governor Quinn said.

“This important measure will allow us to begin construction projects this spring, putting Illinois workers back on the job repairing bridges and improving roads. The bill is part of my agenda to strengthen our economy while rebuilding transportation networks across the state.

“As a result of today’s action, hard-working employees at the Department of Children and Family Services will continue their critical work of protecting vulnerable children who have been abused and neglected.

“Thank you Speaker Madigan and Senator Kotowski for your work to pass this important bill.”
