Driving After 60? Learn driving tips from the AARP

Written by Rock Island Library Tuesday, 12 February 2013 10:25

Keeping Your Most Important Accessory, Your Keys

2:00 to 3:00 pm, Tuesday, Feb. 12 Rock Island Main Library, 401 19th Street

This free program with tips on safer driving for retirees and seniors is presented by AARP Driver Safety program instructor Caryl Altemus. The program also includes an overview of what is included in the full AARP Driver Safety programs, with information about upcoming courses. No registration is required. Drop by!
