(Des Moines, IA) – This year, AARP Foundation and ISED Ventures are again providing free tax assistance and preparation for taxpayers with low to moderate income through the AARP Foundation Tax-Aide program and the ISED tax assistance program. AARP Foundation Tax-Aide, in its 46<sup>th</sup> year, is the nation's largest free tax assistance and preparation service, giving special attention the older population. You do not need to be a member of AARP or a retiree to use this service.

ISED is an asset development organization with the mission of creating opportunities for low and moderate income lowans to increase income and achieve financial stability.

Attached is an updated and expanded list of locations where low income or elderly lowans can receive assistance preparing their income taxes. These sites are all staffed by trained and qualified volunteers. They are organized by a network of non-profits and AARP Tax-Aide whose goal is to help people file their taxes and assure they receive their Earned Income Tax Credits (EITC) and Child Tax Credits. Taxpayers are never solicited for advance refund loans.
