The Iowa State University Scott County Extension & Outreach Master Gardeners are selling planted containers for Mother's Day giving. Choose from four flowering pot combinations in either a table top or hanging pot or an herb container.

Each pot is planted by the ISU Scott County Extension & Outreach Master Gardeners with plants from a local greenhouse especially chosen to create a container that blooms all summer long. The cost is \$25 per container with deadline for orders and payment by 4pm on April 2, 2013. Call the ISU Scott County Extension & Outreach Office to order: 563-359-7577

Your container will be available for pick up at the Extension Office, 875 Tanglefoot Lane, Bettendorf, IA 52722 on Friday, May 10 from 4:30-6:00 pm or Saturday, May 11th from noon-4 pm. Proceeds from the sale supports horticulture education programs in Scott County.
