PORT BYRON, IL – State Rep. Mike Smiddy (D-Hillsdale) is hosting a free community shred day and electronics recycling drive on Saturday, May 4 from 9:00 a.m. to 12:00 p.m. at the Rock Island County Fairgrounds located at 4200 Archer Dr. in East Moline.

“Destroying documents that contain personal or sensitive information is an easy way to prevent identity theft,” said Smiddy. “This event is a convenient way for residents to ensure that their documents are properly disposed.”

Residents can bring unneeded bank statements, tax returns, pay stubs, receipts, credit card applications, old bills and other documents that contain sensitive personal information to be safely shredded and disposed. All documents should be free of paperclips, staples and other bindings. Electronics recycling is sponsored by the Rock Island County Waste Management Agency and Vintage Tech Recyclers.
