Alternatives for the Older Adult to host national satellite broadcast:

"Health Implications of Caregiving"

WHAT: Alternatives for the Older Adult will host this live videoconference to educate caregivers and caregiver agencies/supporters on how caregiving impacts health. The presentation provides tips on self-care, approaches taken by organizations to support family caregivers and innovative programs that help caregivers preserve their own health. Sponsored by the Centers for Medicare and Medicaid Services and the Department of Health and Human Services, the conference features a diverse national panel of presenters from the National Alliance for Caregiving and several other prominent health, educational and advocacy organizations.

Light lunch provided. Free hand-outs and resource materials
