DAVENPORT, Iowa – March 13, 2009 -- The Bend of the River Quad Cities Pilot Club will host its annual Brunch and Style Show on Saturday, March 28, at the Radisson Hotel, Davenport to benefit the Genesis Physical Medicine and Rehabilitation Department.

Doors will open at 9:30 a.m. Cost is \$25 per person. Rehabilitation staff will be among the models, and there will be door prizes.

Proceeds will go toward the purchase of the Invacare Top End Excelerator Handcycle for inpatients who have sustained a brain injury, multiple trauma, stroke, spinal cord injury or who have a neuro-degenerative disorder.

Funds raised also will help purchase Wii Fit, Wii Carnival Games, Interactive Mouse Switches, and Capability Switches to be used by patients served by the Genesis Outpatient Pediatric Rehabilitation Program and the Outpatient Brain Injury Day Treatment Program.

The handcycle and Wii games will help patients improve endurance, strength, balance, range of motion, and psychological well-being. The computer switches also will allow children with disabilities to operate computer games during therapy sessions.

For tickets, call (563) 445-5554, (563) 332-1760 or Jan King at (563) 421-1425.
