Dear Quad City Resident,

Help Davenport win a state-wide contest, which will bring resources to our Quad City region.

Davenport is a finalist to become a Blue Zones Community™, which is a program to help people live longer, healthier lives.

If Davenport wins, then the Quad Cities wins because we will leverage these resources for the entire region. That's why we're sending you this email - so you'll join us in pledging to support for this project, so our community can be selected.

We are especially looking for people who live or work in Davenport to take a pledge to support this project and use their Davenport zip code.

And ask others to do the same. Because this simple act could have a positive impact on all of us for years to come.

Here's to our well-being!
