In observance of National Infertility Week we will be discussing endometriosis and polycystic ovarian syndrome (PCOs), within the framework of Chinese Medicine and the high success rate that we see in these cases compared to conventional medicine.

On April 23rd the focus will be on endometriosis, and April 24th will emphasize PCOs. Both seminars take place between 6pm and 7:30pm, and are hosted by Moline Chiropractic clinic and Healing Lotus Acupuncture at 4300 12th Avenue, Moline, IL.
