Rock Island, IL –Nelson Chiropractic, located in Bettendorf, will be hosting a Patient Appreciation Week June 10 through June 14. During this special week, Dr. Nelson, Dr. Friemel and Dr. Gall will be donating their time and services—consultation, state-ofthe-art computerized spinal exam and x-rays if they are needed—to new patients in exchange for a \$20 donation to Christian Care’s Domestic Violence Shelter. This is a value of over \$200! Nelson Chiropractic will also be taking donations from anyone who wants to drop off supplies or money for the organization.

Christian Care, a local nonprofit, provides safe shelter, nutritious meals, and a wide variety of resources to needy men, women and children throughout the Quad Cities. Our vision is to transform the lives of those we serve, offering the homeless and survivors of domestic violence an opportunity to start a new, more productive life.

We rely on the generosity, kindness and enthusiasm of donors to help us serve the hundreds of men, women and children who turn to Christian Care for assistance each year.

Dr. Nelson encourages people to take advantage of this opportunity to help the local shelter and invites them to call Nelson Chiropractic at (563) 359-9541 to make an appointment today. Due to legal restrictions, this offer is not available to patients with state or federally funded healthcare plans, such as Medicaid and Medicare.
