Public Invited to Tour Unique C-SPAN Bus, Meet C-SPAN Representatives

Davenport area residents are invited to step aboard the C-SPAN Bus and take a FREE TOUR of a unique, interactive multi-media center.

Thursday, August 22

11:00 am to 1:00 pm

Parked outside CASI -- 1035 West Kimberly Road -- Davenport

With a fresh new look, the C-SPAN Bus is kicking off a new tour season – bringing its digital Video Library and public affairs resources to Davenport. Teachers, students and the public will enjoy this tour of a 45-foot bus that is unlike anything else – state-of-the-art digital media technology on wheels. Learn about the First Ladies series or how to follow Washington Your Way – encourage students to participate in StudentCam (Iowa students earned national recognition in recent contests). Door prizes and great information for all visitors. FREE & open to the public.

Mediacom is proud to sponsor C-SPAN's Iowa tour, with visits in Davenport, Cedar Rapids, Waterloo and Mason City. C-SPAN is a non-partisan, non-profit cable network founded and funded by the cable industry. Mediacom customers will find all THREE C-SPAN channels on local channel lineups. Special thanks to the Center for Active Seniors, Inc. (CASI).
