DES MOINES, IA (08/14/2011)(readMedia)-- This evening at the Indiana State Fair there was a weather-related tragedy during the Sugarland concert. As a result, the Sugarland/Sara Bareilles show planned for Sunday, August 14 at the Iowa State Fair will not take place as scheduled. There has been no decision if the concert will be rescheduled so ticketholders should retain their tickets.

Most importantly, our hearts and prayers go out to all people involved in the Indiana State Fair concert tragedy.

The Iowa State Fair will continue to release updates about the status of rescheduling the Sugarland show. Please check the Fair's website [www.iowastatefair.org](http://www.iowastatefair.org) for important information.
