**Tenth Avenue North** recently announced its third studio project, *The Struggle* (Reunion Records), out on August 21. The 12-track album reflects influences ranging from fan insight from the headlining artists' past two years on the road, to the addition of two new band members and a new recording process. Produced by six-time SESAC Christian Songwriter of the Year, and two-time GRAMMY nominee, Jason Ingram (Chris Tomlin, Sanctus Real), *The Struggle*

is a bold, creative leap forward.
