My Orchestra will be playing on New Year's Eve this year at the Rhythm City Casino. This will be our first time performing at the casino, but definitely not the last! The Rhythm City has hired my full orchestra to play the first Saturday of every month, starting in February. We'll be debuting new music at each show, as well as playing our favorites from the 1920's and early 30's. We'll also be debuting our new band name, so lots of great changes happening in 2013!

Here are the details incase you're interested in coming out on NYE to hear my group. Our last song will be Auld Lang Syne, just like the original version that everyone is so familiar with from years ago.

What: Josh Duffee & His Orchestra's New Year's Eve Performance

When: Monday, December 31st 2012

Where: The Rhythm City Casino, Downtown Davenport Riverfront

Time: 8:00pm to Midnight

Age Limit: 21 and over

Cost: FREE!

The Rhythm City Casino food section will be open so you can have some dinner while we're playing. Make a date of it and come out and have some dinner while you listen to us play some hot jazz from the 20's and early 30's!

We hope to see you on New Year's Eve, and we hope you have a very Merry Christmas and a Happy New Year too!

Sincerely Yours,

Josh Duffee
