The i wireless Center is currently in search of their 2013 Christmas tree to be displayed in the arena's circle drive throughout the holiday season and is also featured at the annual Lighting on the Commons Ceremony to be held Saturday, November 23.

The i wireless Center will pay for the removal of the tree and provide four complimentary tickets to the Quad City Symphony Holiday Pops in exchange for the tree donation. Trees should range in height from 20' to 40' and be available for removal the week of November 4th. Consideration will be given to size, shape, fullness, ease of removal, and proximity to building. Trees not selected in 2013 will be added to a list of potential trees for future years.

Have the perfect tree? Please contact Kevin Snodgrass via email at ksnodgrass@iwirelesscenter.com with subject line 2013 Christmas Tree Donation or at [309-277-1379](tel:309-277-1379)

. Interested parties should include contact information, location of the tree to be donated, and approximate size. Photos of the tree are also welcome.
