- [Download Chief Architect Premier X6](#)

Mississippi Valley Paranormal is sponsoring the Quad Cities Most Haunted Contest. We are looking for the most haunted location in the Quad Cities area. We have heard all the stories and urban legends and now we want someplace new. All that we ask is that the location is public property or permission is easily obtained. Also, private residences may only be entered by someone currently living there. The person who submits the winning entry will then be able to investigate with the Midwest's Premier Paranormal team, Mississippi Valley Paranormal for the night at their location. All entries must be received by no later than midnight, June 30th 2009. To submit a location to Mississippi Valley Paranormal and to read the complete contest rules, please go to our website at www.mvparanormal.org Mississippi Valley Paranormal is a paranormal research team that was formed to help further the field of paranormal research through scientific techniques. Mississippi Valley Paranormal covers the Quad Cities and surrounding areas. We are non-profit group and offer our investigation services to the public for free.

We would also be open to members of media investigating the chosen location with the team.
