Davenport, IA – On Thursday, February 18, downtown at the Redstone Room, thirteen local establishments will participate in the 2010 Martini Shake Off. The bartenders will compete for titles of the best traditional martini, best fruit martini, best dessert, best bartender's choice and the People's Choice award.

This year's Martini Shake Off will feature martini samples from Bass Street Chop House, Biaggi's Ristorante Italiano, Carriage Haus, Granite City, Icons, Johnny's Italian Steakhouse, Kilkenny's, McClellan Stockade, Nan's Piano Bar, Pints, Red Crow Grille, Steventon's and Woodfire Grill, while enjoying appetizers and the sounds of Ellis Kell, Andrew Landers, Matt Podschweit, Terry Hanson & Ron Wilson. There will also be the chance to bid on silent auction items as well as a 50/50 cash raffle.

Event proceeds will benefit the HAVlife Foundation, established four years ago in honor of Hunter Aaron Vondran, who passed away at the young age of 13 due to injuries sustained in a tragic accident. Hunter was an avid athlete and musician who had a passion for living life to the fullest. In his short 13 years, Hunter managed to inspire the people around him to do the same and left his message in their hearts when he passed. His parents, Michael and Brenda Vondran, along with his brother Baron, set up the HAVlife Foundation in order to do good things in Hunter's honor. The proceeds from the foundation stay in the local middle schools to prevent
